

## ◆ Member Registration method

- (1) Press the [Member Login/New Member Registration] button at the top of the screen.
- (2) Press the [New Member Registration] button.

- (3) Follow the procedure described on the screen and enter the necessary items. When entry is complete, press the [To Confirmation screen] button.

The screenshot shows the 'Member Registration (Entry)' form. It has a progress bar at the top with five steps: 1. Personal information entry, 2. Entered content check, 3. Send to E-mail, 4. Password entry, and 5. Member registration complete. The form fields include:
